

I N S T R U C T I O N S

To make installation easier, please follow the instructions below.

Installing pocket PhoneTools

To install pocket PhoneTools on your hard disk, insert the pocket PhoneTools CD-ROM in the appropriate CD-ROM drive.

1. Double-click the My Computer icon,
2. Double-click the icon for your CD-ROM drive,
3. Double-click SETUP.EXE

From that point on, a program assistant will guide you through the different steps required to install pocket PhoneTools.

Internet Site

By regularly visiting the site www.bvrp.com, you can find out about all the new products and upgrades made available by BVRP Software.
